

TOWN OF GRANBY
INLAND WETLANDS AND WATERCOURSES COMMISSION
MINUTES
November 14, 2012

PRESENT: Chairman David Tolli, Aurelle Locke, Deb Sheahan, Wayne Cahoon and David Askew.

Chairman Tolli called the meeting to order and confirmed a quorum at 7:03 p.m.

MINUTES

Approval of the October 10, 2012 meeting minutes is delayed to the December 2012 meeting. Clarification on the permit application is needed. At the October meeting Chairman Tolli asked Mr. Ayotte for a simple drawing showing location, dimensions along with pictures of where the shed will be moved. Mr Ayotte agreed he would.

PROJECT STATUS

2. 240 Case Street – dam repair

In a letter dated November 14, 2012 Mr. Tom Grimaldi, project engineer, issued his final inspection report. The four items to be completed have been done. Raise dam height. Add rip-rap. Extend the 4" pipe. Strip top soil and add plastic mesh for erosion control.

Prior to final acceptance of the remediation the Wetland Agent will conduct his final review and inspection. This project was expected to be completed over the course of the summer months; however, it has taken two years.

PERMIT APPLICATION

3. Lester Ayotte – 98 Quarry Road; shed in wetland

Mr. Ayotte described the process and Mr. Askew provided additional photos of the area. The shed has been sinking and Mr. Ayotte used sand fill to stabilize the area.

ON A MOTION by Mr. Cahoon, seconded by Ms. Locke, the commission approves the movement of the shed on the condition that the shed not be placed until the Wetland Agent inspects the site. The fill that has been placed is approved and additional fill required is allowed. Stabilizing rock and filter fabric is to be added to prevent the sand from eroding. Approval is granted since there is no feasible alternative and the sand fill will allow any water to drain through it without any harm to the wetland.

REQUEST FOR REVIEW

4. Gillespie – 25 Peck Orchard Road; timber harvest

This request has been withdrawn. The work is not going forward at this time.

ANY OTHER PROPER BUSINESS

The next monthly meeting is December 12, 2012 at 7:00 p.m. in the Town Hall meeting room.

ON A MOTION by Ms. Locke, seconded by Ms. Sheahan, the commission unanimously agreed to end the meeting at 7:19 p.m. (5-0-0)

Respectfully submitted,

Sandra Yost
